

# Our Purpose

Our purpose is to spread God's fame until there is no place left for us to reach because the world has been reached, God's power is on display, and Jesus is super-famous everywhere! Romans 15:23.

He (Jesus) said to his disciples, *"The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields."* Matthew 9:37-38. **Pray with us!**

Your generous support to RUN Global is vital to helping indigenous workers reach their nations for Christ. You matter to us, as valuable partners in helping to change the world.

RUN Global's mission is to fulfill the Great Commission around the world. We are all called to follow Christ's command to go and make disciples of all nations. We need your help to do more.

# Our Distinctives

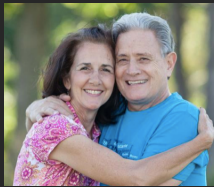

RUN Global differs from some other mission organizations, in that we specifically focus energy and resources on taking the Gospel to the least reached places and persons, prioritizing those who have never heard, in the places that have never been reached.

# Our Strategies

RUN Global teams start Great Commission focused church planting movements through the native missionaries, especially the most open in unreached countries.

Mike and Su Keator started RUN Global in 2009 to run with the Good News to those who have never heard, so they can be saved.

## Building Leaders

RUN Global supervises over 25 native teams, all of them highly effective, through Training Centers energized to shake their world for Jesus Christ. The Team Members teach and coach thousands of trainees in turn, helping them get "Training for Trainers" groups (T4T's) running to build even more T4T's and plant churches.

## Training for Trainers (T4T)

"Training for Trainers" (T4T) is a Bible-based method for evangelism and leadership developed by IMB missionaries Ying & Grace Kai during their work in China. T4T's have gone on to present the gospel to many millions of people.

## Evangelism

RUN Global team members and their disciples are reaching over 20,000 people each week with the Gospel. For many, this is the first time they have heard the name of Jesus. This is why RUN Global exists. To preach to those that have never heard His name.
